Modernisation and Development of Postal Network

1671. SHRI PRAGADA KOTAIAH: Will the Minister of COMMUNICATIONS be pleased to state:

(a) whether it is a fact that there is poor coordination between "financial planning' and physical targets in the department of posts;

(b) if so, what is being done to bring in better coordination between the two; and

(c) whether ten years perspective planning

for modernisation and development of postsl network will be undertaken, and if so, when and how?

THE MINISTER OF STATE OF THE MINISTRY OF COMMUNICATIONS (SHRI SUKH RAM): (a) to (c) Coordination between financial outlay and physical targets is normally done at the beginning of a 5 year Plan or of an Annual Plan. Lack of coordination between financial outlay and physical target can be attributed to the following reasons:—

(i) Cost escalation subsequent to setting up the targets leading to scaling down the physical targets in accordance with the availability of resources.

(ii) Delays in development of products/ schemes largely by outside agencies leading to non-achievement of both physical and financial targets.

(iii) Delays in obtaining approvals from various authorities competent to give such approvals within a timeframe.

In order to ensure better coordination through effective monitoring and focussed management, a separate Divsion for Corporate Planning & Technology has been set up at the headquarters. This has resulted in achievement of both physical and financial targets during 1995-96, especially relating to modernisation of postal services. While strategy for modernisation of the postal system has been evolved, it is necessary to implement the strategy through Annual Plans in view of the rapid obsolescence of technology in a longer time-frame.

Sale of Paraffin Wax-III

1672. SHRIMATI RANUKA CHOWDHURY: Will the Minister of PETROLEUM AND NATURAL GAS be pleased to state:

(a) whether sale of Paraffin Wax, Type III produced by Small Scale Industries all over India is exempted from the provisions of Paraffin Control Order, 1972;

(b) if so, how come the Delhi State Government is still controlling the sale of Paraffin Wax Type III under the above provisions and forcing the Small Scale Industries to obtain Dealership licence under the above Act and further forcing them to sell the paraffin Wax Type-III at an abnormally low price causing substantial loss to the units; and

(c) what action Government have taken in this regard to give relief to the Small Scale Industries in Delhi?

THE MINISTER OF STATE OF THE MINISTRY OF PETROLEUM AND NATURAL GAS (CAPT. SATISH SHARMA): (a) to (c) No, Sir. The Paraffin Wax (Supply, Distribution and Price Fixation) Order, 1972 is still in force.
